ABOUT CHRIST UNIVERSITY

CHRIST (Deemed to be University) was born out of the educational vision of St Kuriakose Elias Chavara, an educationist and a social reformer of the nineteenth century in South India. He founded the first indigenous Catholic congregation, Carmelites of Mary Immaculate (CMI) in 1831 which administers CHRIST (Deemed to be University).

Established in 1969 as Christ College, the Institution undertook path-breaking initiatives in Indian higher education with the introduction of innovative and modern curricula, insistence on academic discipline, imparting of Holistic Education and adoption of global higher education practices with the support of creative and dedicated staff.

The University Grants Commission (UGC) of India conferred Autonomy to Christ College vide its notification F.13-1/2004(Desk-AC) dated 7 October 2004 and identified it as an Institution with Potential for Excellence vide its notification No. F. 121/2004(AIS/PE) dated 19 May 2006. In 2008 under Section 3 of the UGC Act, 1956, the Ministry of Human Resource Development (MHRD) of the Government of India, declared the Institution a Deemed to be University, vide its notification No. F. 9-34/2007- U.3(A) dated 22 July 2008 in the name and style of 'Christ University'.

One of the first institutions in India to be accredited in 1998 by the National Assessment and Accreditation Council (NAAC), and subsequently in 2004 and 2016, the Institution has the top Grade 'A' on a 4-point scale. As per the direction of MHRD, vide its notification no. F.9-34/2007-U.3(A), dated 11 January 2018 the name of the Institution was changed from 'Christ University' to 'CHRIST (Deemed to be University)'. CHRIST (Deemed to be University)

The multi-disciplinary Institution which focuses on teaching, research and service, offers Bachelor's, Master's, and Doctoral Programmes in Humanities, Social Sciences, Science, Commerce, Management, Engineering, Law, Education, and Architecture to over 25,000 students. The three campuses of the University at Bengaluru in Karnataka, Pune Lavasa in Maharashtra, and Delhi National Capital Region (NCR) are a living example of harmonious multiculturalism with students from all the states and Union Territories of India and about 60 different countries.

CHRIST (Deemed to be University) publishes six peer-reviewed research journals and has published more than 300 books in Kannada and English. A promoter of sports, music and literary activities, it is a nurturing ground for creative excellence.

“

Every alumnus carries the spirit of CHRIST beyond its campus, transforming knowledge into service and success. United, we build a legacy that endures across generations.

”

ABOUT OFFICE OF ALUMNI ENGAGEMENT

CHRIST (Deemed to be University) ever since its inception has been nurturing and fostering the association of its Alumni namely Christ University Alumni Association (CUAA). The Association functioning hitherto as a wing of the University has now been formally registered as a Trust under the Indian Trust Act as an empowered independent body.

This has necessitated the establishment of a dedicated office of the University to facilitate essential oversight of the association activities for its legitimacy and to ensure timely communication/directions as may be necessary from the perspective of the University.

The University has therefore established an Office of Alumni Engagement (OAE) with effect from April 2021 headed by the Pro-Vice Chancellor.

ABOUT ALUMNI ASSOCIATION

CHRIST (Deemed to be University) has a dynamic alumni association that represents the voice of all the graduates supporting the University to realize its mission. Its aim is to create a strong, fully interactive worldwide community for the alumni. The association is driven by the commitment to enhance the growth of the University by providing a wide range of resources and opportunities.

The association provides opportunities for alumni to meet each other and participate in social activities and business undertakings. It also focuses on academics by conducting intellectually stimulating talks and lectures from distinguished CHRIST (Deemed to be University) speakers. It lends a helping hand through placement services and enables students to embark on appropriate careers.

From the *Faculty Desk*

DR SEBASTIAN K. A.

Professor, Department of Languages
CHRIST (Deemed to be University)
DRC Post, Hosur Road, Bangalore

My association with CHRIST (Deemed to be University) over the past 36 years has been one of the most enriching journeys of my life. I have had the privilege of witnessing its remarkable transformation from a distinguished undergraduate college into a globally recognized university committed to academic excellence, innovation, and international collaboration.

Among the most rewarding aspects of this journey has been interacting with students, faculty members, and alumni from diverse cultural and academic backgrounds. These experiences have broadened my perspectives and reinforced my belief that diversity, mutual respect, and collaboration are among the University's greatest strengths.

What truly distinguishes CHRIST University is the character of its people. The values of integrity, service, excellence, and compassion become an enduring part of every Christite's identity, shaping their personal and professional lives. It is inspiring to see our alumni carrying these values across the world while remaining deeply connected to their alma mater.

Our alumni continue to make meaningful contributions through mentoring, career opportunities, community service, and support for deserving students. Their commitment strengthens the University and inspires future generations.

As we look ahead, I encourage every Christite to remain actively engaged, nurture lifelong connections, and continue contributing to the University's mission of transforming lives and creating a positive global impact.

A JOURNEY OF GRATITUDE AND MEMORIES

CHERIAN THOMAS
BA ECONOMICS, BATCH OF 1998

Looking back on my years at Christ College, I am filled with deep gratitude for the experiences, values, and friendships that shaped my life. The college was far more than an institution of higher learning; it was a nurturing community that instilled confidence, discipline, integrity, and a lifelong pursuit of excellence. I remain sincerely thankful to the management, the Principal, and my teachers for creating an environment that inspired learning, personal growth, and meaningful relationships.

My college journey was enriched by active participation in sports and cultural activities. Football, in particular, became a defining part of my student life. The game taught me the importance of teamwork, resilience, commitment, leadership, and perseverance. I was privileged to serve as the Captain of the Christ College Football Team in 1998 and was honoured to represent Bangalore University as a member of its Football Team during the 1997-98 season. These opportunities shaped my character and left me with memories that I continue to treasure.

Music was another passion that brought immense joy and fulfillment. Being a member of the Christ College Indian Music Team in 1998 allowed me to express my creativity while experiencing the spirit of collaboration and cultural excellence. The balance between academics, sports, and the arts made my college years truly memorable.

Among the many inspiring mentors I encountered, lecturers Ommen Mathew and Shaji Isaac remain unforgettable. Their enthusiasm, wisdom, and passion for teaching inspired students to think beyond textbooks and embrace lifelong learning. Though some of these remarkable teachers are no longer with us, their legacy continues to inspire generations of students. The years I spent at Christ College will always hold a special place in my heart. The friendships, opportunities, and values I gained have shaped the person I am today. I remain proud to be an alumnus of this great institution and will always carry its spirit with gratitude and pride.

ENTREPRENEUR SPOTLIGHT: FROM CONVERSATIONS OVER COFFEE TO BUILDING A LEGACY

MR. SHEEBAN NIZAM

Every entrepreneurial journey begins with an observation. While some identify gaps in the market, others recognise opportunities hidden within everyday experiences. For CHRIST alumnus Mr. Sheeban, entrepreneurship grew from a lifelong appreciation for coffee, conversations, and the communities they naturally bring together. A qualified Sales and Management professional with over twenty-five years of experience across hospitality, real estate and business development, he has built a career defined by adaptability, strategic thinking and meaningful relationships. As the Managing Partner and Co-founder of Big Cup Café, he transformed a simple cup of coffee into a welcoming space where ideas are exchanged, friendships are nurtured and stories find their audience. His entrepreneurial vision is rooted in his heritage as a seventh-generation coffee planter from Coorg, carrying forward a family legacy of nearly two centuries while blending tradition with contemporary hospitality.

Throughout his professional journey, Sheeban has remained committed to a simple belief that successful businesses are built on trust, authenticity, and lasting relationships. His expertise in strategic planning, revenue management and business development has enabled him to grow ventures across multiple sectors, while his philosophy of viewing adversity as an opportunity has shaped his entrepreneurial success. Beyond business, he is an avid reader who believes curiosity is one of an entrepreneur's greatest strengths. His thirteen years representing league cricket under the Karnataka State Cricket Association, together with his achievements in snooker, instilled discipline, resilience and teamwork that continue to influence his leadership. Whether trekking through mountains, travelling or contributing to community initiatives, he embraces life with purpose and curiosity.

The story of Big Cup Café is more than the success of a hospitality brand; it reflects heritage, innovation and genuine human connection. By transforming everyday moments into meaningful experiences, Sheeban demonstrates that enduring enterprises are built not merely on commercial success, but on authenticity, consistency and the relationships they foster. As we launch the Alumni Entrepreneur Spotlight series, we celebrate inspiring journeys like his that embody the values, resilience and spirit of the CHRIST alumni community.

The session offered a delightful glimpse into their shared experiences as Christites, exploring memories, traditions, campus life, and the values that continue to connect generations of alumni.

Filled with laughter, nostalgia, and candid reflections, the conversation beautifully highlighted the enduring bond between family and the CHRIST community.

This special initiative was conceptualized under the guidance of Dr. Phinu Mary Jose, Mentor, North America Alumni Chapter, who envisioned the session as a meaningful Father's Day tribute celebrating not only the relationship between a father and daughter but also their shared identity as Christites.

The rapid-fire interview served as a reminder that the spirit of CHRIST transcends generations, creating lifelong connections and cherished memories that continue to inspire alumni families around the world.

THE ROHAN BAJAJ SANDWICH: WHEN AN IDEA BECAME A CAMPUS TRADITION

Not every alumnus leaves a legacy through boardrooms, businesses, or best-selling books. Some leave it in places far more unexpected. One such legacy is the beloved Rohan Bajaj Sandwich at the Fresheteria. What began as a simple suggestion from CHRIST alumnus Rohan Bajaj gradually became a campus favourite, enjoyed by generations of Christites.

Over the years, the sandwich has become more than a menu item. It has accompanied hurried lunches, post-class conversations, group assignments, celebrations, and lasting friendships. In its own quiet way, it reflects how students and alumni shape the culture and memories of the University. The story of the Rohan Bajaj Sandwich reminds us that meaningful contributions are not always measured by scale. Often, they are found in the everyday moments that bring people together and foster a sense of belonging.

As we begin this series on unique alumni stories, we celebrate the enduring imprints our alumni leave on the CHRIST experience, both within and beyond the campus.
